BIKE ROOM USAGE AND ACKNOWLEDGEMENTS

Bicycle Storage Rooms are located on the ground level and sub-garage. Upon registration, residents will be assigned a specific space and given an identification sticker that must be affixed to the bicycle. Registration must be renewed annually with the Management Office. Any bicycles not registered or in the wrong assigned space will be in violation of rules and the bicycles will be removed at the Unit Owner's expense. For security reasons, protect all bicycles with a strong lock. The Association is not responsible for loss or damage to bicycles.

Unidentified bikes will be locked with a building owned lock for 30 days, after which time the bike will be removed and stored for 30 additional days. The bike will be disposed of if unidentified after these 60 days. In the event the bicycle owner is identified during the 60 days, a fine will be issued.
